DESCRIPTION OF PERSON SERVED: refused to open door, unknown years, about 180 lbs and 5'8" per silhouette through front door.
REASON FOR BA:
REASON FOR NON EST:

Initially a female came to the door and refused to identify herself. When I explained whom I needed to talk to, she replied that that person was not there and she didn't have to tell me who she was. While waiting for her to come back to the door, a female called 911 and identified herself as Birdie Ann Powell to the operator. She stated that she was the daughter of the defendant, Lorna Powell. Birdie also said that her mother was upstairs and did not want to talk with me. Birdie called from (404-629-0748). I then taped the lawsuit to the front door and left.
